

Dyson Pediatrics

“My greatest personal achievement is delivering on my promise to myself to become a physician, specifically a pediatrician,” says Dr. Duane Dyson. “I continue to strive to achieve my goal of being one of the three most trusted professionals in the lives of the families that consider Dyson Pediatrics their medical home.”

Dr. Dyson received his M.D. from Morehouse School of Medicine in Atlanta, and has been in practice in Tucson for the past 12 years. Dr. Dyson also is the immediate past National Health & Wellness Chairman of Alpha Phi Alpha Fraternity, Inc., and is the Arizona Area Director of the Fraternity, as well.

“My favorite aspect of my practice is having colleagues and staff who are fun and dynamic. I enjoy coming to work each day. My patients have shared the gamut of emotions with me over the many years I’ve gotten to care for them — tears, laughter, confusion, wonderment and inquiry,” says Dr. Dyson. “For these reasons I enjoy sharing my life and talents with my patients.
