

Dyson Pediatrics

Duane Dyson, M.D.

WHERE HE OBTAINED HIS MEDICAL DEGREE:

Morehouse School of Medicine, Atlanta, Georgia

YEARS OF PRACTICE IN TUCSON: 8

WHY HE CHOSE TO PRACTICE MEDICINE: I

enjoy the challenge and constant learning in medicine, getting to know and mentor my families, being able to travel and provide medical care in other regions of the world, as well as using my blessings to enhance the lives of my local community.

FAVORITE ASPECT OF PRACTICE: I enjoy seeing my patients grow up and giving hugs to them and their families. I am grateful for the thousands of Tucsonans that I have laughed and cried with over the years.

Thanks for trusting me with the health of your kids!
